MRS. THOMAS MABIN

### Los Cancioneros Will Welcome Mrs. Mabin

Los Cancioneros, "the Singers," will welcome back their original director, Mrs. Thomas Mabin, this season following a three-year leave of absence.

The community mixed chorus, a "near professional" group, look forward to lots of hard work under Mrs. Mabin, who expects a high degree of quality.

Mrs. Mabin received her Bachelor of Arts degree from Occidental College, where she majored in music. She later attended the University of Southern California and was within a few months of attaining her Master's Degree in Sacred Music when her third child put in an early arrival.

The Mabin family and their two older daughters, Melody, 12, and Kathy, 11, who both attend Dapplegray School, make their home at 2735 E. Vale Road, Rolling Hills. Tom Mabin is also a valuable asset to Los Cancioneros, being an instrumentalist as well as his wife's "prize tenor."

As Minister of Music at the Palos Verdes Neighborhood Church for seven years, Mrs. Mabin made the decision to take a leave of absence from Los Cancioneros. The South Bay Music Workshop and Choral Conductor's Guild of California are two of her many outside interests.

This year, Los Cancioneros will again present its annual spring concert May 22 and 23 at Redondo High School Auditorium. March 17 the group will present the Lunada Bay Parent Teacher's Association with the first performance of the spring season.

### Mardi Gras Ball Set

The South Bay Greek Orthodox Church will celebrate their First Anniversary with a Mardi-Gras Ball March 6.

The semi-formal dance will be held in the Banbury Room of the Plush Horse. Tom Palis and his band will play American and Greek music.

Peter Vasilion, chairman and Dr. Ernest Donlou, co-chairman of the affair, invite everyone to attend.

### Marian Cummings Exhibit Slated

Local Torrance Artist, Marian Cummings, will give a one man show at the Redondo Beach Public Library, City Park, Redondo Beach. Scenes of Torrance and the beach areas will be depicted in the water color paintings on display. The show will run Feb. 28 to March 14.

"I love to paint outdoors doing the scenes around me," Mrs. Cummings stated. "I try to capture in color and line the feeling I receive from the scene—the movement and activity of the fishing boats, the crowded but cheerfulness of a trailer court, the interesting pattern of scrap metal in a yard, and the empty feeling of a deserted house."

The artist is currently exhibiting at the Torrance Crafts Center and Torrance Women's Club. She is a member of the Torrance Art Club, and will exhibit in their annual show starting March 6th at Victor Benstead Plunge.

### Saxophone Quartet to Play at Third Concert

The Hollywood Saxophone Quartet, four career musicians of the Hollywood motion picture industry, will be the featured artists on the third concert of the Joint Youth Band-Artist Concert series, March 11. The concert will be held in Torrance Civic Auditorium, corner of El Prado and Cravens.

The Hollywood Saxophone Quartet, organized in 1948, is similar to the famous Selmer Saxophone Quartet of Paris.

The Torrance Area Youth Band will play the first half of the concert, featuring a wood-wind quintet composed of Tom Scanlon, flute; John Mouzakis, oboe; Dick Ducar, clarinet; Tom Greer, french horn, and Terry Hart, bassoon.

The concerts are co-sponsored by the Torrance Area Youth Band and the Torrance Junior Woman's Club as a means of presenting joint concerts by the youth band and internationally famous musicians to the community. Tossy Spivakovsky, violinist, and Leonard Pennario, pianist, were the featured artists on the first two concerts. The fourth and final concert of the series will be presented May 23, when the four young scholarship winners will perform as guest artists. The four scholarships of \$100 each, will be awarded by the Junior Woman's Club.
